Ready to Recover More Revenue at NO COST to Your Municipality?

Since 2015, the Alabama League of Municipalities' Municipal Intercept Services program has saved cities and towns **OVER $45 MILLION** in outstanding debts, turning otherwise uncollectible receivables into revenue!

How?

Through state legislation, MIS provides members with direct access to the Alabama Department of Revenue's tax refund offset program, offering a unique opportunity to recover monies owed to your municipality directly from an individual's Alabama state tax refund.

Why Use Municipal Intercept Services?

- **It's FREE!**
- **It's Successful!**
  Recover delinquent funds that may otherwise go uncollected by traditional collection efforts.
- **It's Simple and Secure!**
  The entire process is managed through a secure, web-based portal, requiring no special software, installations or technical expertise.

If your town or city has outstanding debts that have proven difficult to collect, **NOW** is the time to take advantage of this powerful member service. Any municipal entity in the state of Alabama, including utility boards, housing authorities and hospitals are eligible.
